

You are invited to help plan and coordinate specialized care for frail seniors.

Seniors Care Network is seeking a Seniors Advocate/Public Member to join our Board.

Seniors Care Network is the umbrella organization that is responsible for the development and delivery of a coordinated and integrated regional system of Specialized Geriatric Services (SGS). These services, which are provided through five core programs, assess, diagnose, treat, and rehabilitate frail older persons with complex medical, functional, and psychosocial problems. SGS are delivered by interprofessional teams of geriatric and geriatric mental health care providers specifically trained to recognize and treat frail seniors with multiple and complex needs.

Seniors Advocates/Public Members are invited to review the Expression of Interest document and submit a cover letter and application form to kkay@nhh.ca

Thank you in advance for your interest and we look forward to working with you to build a strong system of support for older people experiencing frailty and their families.
