

## **CUSTOMIZABLE TEMPLATE**

---

for Caregiver Needs  
Assessment and Support  
in Primary Care

**INTENDED USE:**

Please use the below template considering the recommendations outlined in the 'Caregiver Needs Assessment and Support in Primary Care'. The Guidance Document and the template have been developed for primary care settings. Please use the attached template based on your preferred screening approach and list interventions available in your local area.

# Primary Care Decision Tree for Caregiver Needs Assessment
