

Older Adult Healthcare Study

Dr. Joshua Wyman, a Banting Postdoctoral Fellow at Ontario Tech University, is looking for professionals who work directly with older adults in healthcare, social service or long-term care settings to participate in an online research study designed to improve the reporting of maltreatment in this population.

Eligibility Criteria:

- You work with older adults in health, social service or long-term care settings
 - You work in Ontario, Canada

Participation Involves:

- A video interview with Dr. Wyman regarding your experiences reporting older adult maltreatment
- The completion of questionnaires
 - Compensation includes a **\$50 Amazon gift card**

If you are interested in participating:

Please contact Dr. Wyman at joshua.wyman@ontariotechu.ca for more information. He will be able to provide you with a copy of the consent form and answer any questions you may have.
